Projects

Movie_Trailer&Reviews   </>

- Studying the basics of developing a displayable full stack website
- Using a pre-defined list of 10 movies, I have tried to create a website that displays movie posters of the same in a periodic order.
- People can view the posters to these movies and watch trailers over the website if they are interested and leave reviews for the same

Skills Developed: HTML, CSS, Javascript, Java Server Pages, API, MongoDB, Postman

Position of Responsibility

Scrims Manager

- Through social media, I had the opportunity of working as a Scrims Manager of a (ECHOVERSE)Esports Server/Community on 'Discord'. I had to manage clients , handle queries and keep track of tournaments and scrims held for around 20k players of the community

Achievements/ Extracurricular Activities

- Placed Top 10 with a team of 3 in RELAYTHON 2024 held by GFG KIIT
